THERAPY K-DOGS – We currently have FIVE dogs therapy trained and serving the NAFCS district!

We are currently looking for additional schools to participate in our program. We have received numerous positive testimonies!

We were honored to assist with the students and staff at Corydon High and Lanesville schools following the recent loss of two students. These tragic deaths affect all ages on different levels. The therapy dogs brought both love and comfort to the students and staff.

The Foundation is also the sponsor of the NAFCS Teacher of the Week which provides the winning teacher with a \$50 Amazon Gift Card.

We have made generous donations to Blessings in a Backpack and Hoops for Hunger, who help feed the youth in our community who otherwise may not get a meal.

This past December we had over 50 volunteers participate in the Salvation Army Kettle Bell Campaign. We raised \$6,150.44 for the Salvation Army. In addition, the foundation also made a \$1,000.00 donation to the Salvation Army and were honored to provide gifts for 10 sweet Angel Tree children.
